News from the President

And just like that, it is Fall! It seems like yesterday that the fields were being planted and now they are ready for harvest. We have many summer hunts, trips, and fishing adventures that members have taken and we are looking forward to seeing some pictures and short stories. Many members are beginning their Fall hunting adventures and we look forward to hearing those stories as well.

Along with the changing seasons comes [changes in the Deer hunting regulations](#) this year. Make sure to review them.

regulations early and ask any clarification questions you have. Stop into our [October Chapter Dinner](#) meeting to find out more about this year's changes straight from the DNR.

Other changes you need to keep your eye on are legislative changes. Along with many items rolling through the [Congress, HB 6784](#) (Great Lakes Wolf delisting) passed the House and could be on its way through the Senate soon.

As they say, the only thing that is constant is change. Keep up with the changes to your hunting rights by joining or renewing your SCI Membership by [clicking here](#) (and maybe win a Yamaha Wolverine X2!).

Good Luck in the field and keep safe.

Shoot Straight!
Mike Hoskins, President

Marketing News

By the numbers: We have over 600 followers on Facebook (up from 450 in June) and 144 followers on Twitter (up from 100). We have started to reach out to those who follow us but are not currently members. We are inviting them to our meetings and providing membership information. Follow us on [Facebook](#) and [Twitter](#) today!

We are running monthly Facebook advertising campaigns to increase followers and will be boosting some upcoming events to get the word out.

Engagement on Facebook and Twitter is increasing as the number of followers increases. Continue to like, comment, share, and re-tweet! It helps get our post to more people tremendously.

Hunting Stories: Our hunting stories section on our website is quite popular. If you have a story you would like to share (with some pictures!) please send an email to Ed Edwards, our Newsletter editor, at scilansing@gmail.com or to Amy Zander, our web marketing manager, at zander.amy@gmail.com. Amy has also offered to "interview" you for your story. All you have to do is call her up and tell her your story and she will type it up and put it on our site for you. Her number is 517-320-1568.

Dates to Remember
