# MISSION

**THE MISSION OF SCI IS TO PROTECT THE FREEDOM TO HUNT  
AND TO PROMOTE WILDLIFE CONSERVATION WORLDWIDE.**

## PURPOSE

- To advocate, preserve, and protect hunters' rights.
- To promote safe, legal, and ethical hunting and related activities.
- To advocate within the limits imposed by law and regulation.
- To engage in advocacy within the limits imposed by law and regulation.
- To monitor, support, or otherwise take positions on local, national, and international legislative, executive, judicial or organizational endeavors that foster and support SCI's mission and purposes.
- To inform and educate the public concerning hunting and related activities.

# HUNTERS' CODE OF ETHICS

## **Recognizing my responsibilities to wildlife, habitat, and future generations, I pledge:**

- ✔ To conduct myself in the field to make a positive contribution to wildlife and ecosystems.
- ✔ To improve my skills as a woodsman and marksman to ensure humane harvesting of wildlife.
- ✔ To comply with all game laws, in the spirit of fair-chase, and to influence my companions accordingly.
- ✔ To accept my responsibility to help game law enforcement officers.
- ✔ To waste no opportunity to teach young people the full meaning of this code of ethics.
- ✔ To reflect in word and behavior only credit upon the fraternity of sportsmen, and to demonstrate abiding respect for game, habitat and property where I am privileged to hunt.

# Many Thanks to past board member Lynn Marla for the cover artwork

Local Grand Ledge woman, Lynn Marla, is the artist who created the cover for our fundraiser auction book. She has also painted 16 previous covers and donated all the originals for the auction. Lynn worked for the MIDNR from 1982 till 2009, in law enforcement and Information outreach. She has been painting and carving most of her life and has competed in numerous carving competitions as well as many juried art shows. Her favored subjects have always been wildlife and horses. When she was carving competitively, she carved decorative loons as well as working decoys to hunt with. Lynn loves to hunt, especially upland game with her retrievers, and is a past board member of the SCI Lansing Area Chapter. The Lansing Area Chapter of SCI honored Lynn with the “Hunter of the Year 2008” award.

## From the Chapter President ...

Welcome to our 24th Annual Fundraising Banquet!

We hope that this event will give you the opportunity to pursue your dreams and book your next outdoor adventure. By buying auction items tonight, you are directly contributing towards the operation, programs, and projects of the Lansing Area Chapter of SCI. So, play raffles and bid high and often; knowing that the money is being used to efficiently, and effectively to support the SCI mission.

SCI is dedicated to protecting the freedom to hunt and promoting wildlife conservation worldwide. SCI is at the tip of the spear in protecting the rights of all hunters. The battlefield where we fight to keep and protect our rights is the field of politics, legislation, and litigation. There are two things that fuel SCI's march on that field in protecting your hunting rights – your voices through your ongoing membership in SCI; and your funding through events like this. Get informed, become a member, get active, and make a difference for the future of hunting.

You can keep up with the State, Federal, and International legislative and political issues by going to [www.safariclub.org/protect-freedom-hunt](http://www.safariclub.org/protect-freedom-hunt) ; see all that SCI is doing for wildlife, outdoor education and humanitarian services by going to [www.safariclubfoundation.org](http://www.safariclubfoundation.org) ; like us on Facebook at [www.facebook.com/LAC.SCI](http://www.facebook.com/LAC.SCI) ; and bookmark our webpage at [www.lansingsci.com/](http://www.lansingsci.com/).

I hope you enjoy this evening, and pencil in the dates for next year's fundraiser, March 14 and 15, 2025!!

# Auction Guidelines

Please read the item descriptions carefully. Different hunts include or specify different things, such as lodging, meals, transportation, weapon type, available dates, etc. As a general rule, hunting licenses are not included. On hunts outside the United States, you may be charged PST, GST, VAT, and/or other Taxes.

The final bid on any item will be at the call of the auctioneer. Please do not lose an item that you want because of being shy. Make sure that the auctioneer or a spotter spots and acknowledges your bid. Wave your hands, yell, jump up and down, whatever you need to do. Once an item is sold, it is sold.

Some items have a minimum bid required. If the final bid is below the minimum, the high bidder has the option of buying the item at the minimum price. If they decline, anyone may purchase the item at the minimum price from the auctioneer or cashier on a first come, first served basis.

Purchasers of trips need to contact the donor within 30 days to schedule the dates. While it is not required with every hunt, we encourage you to upgrade your hunt. Taking additional animals, days, or additional hunters on the trip helps to support those that support us. Many times these additions are at a discount. Talk with your outfitter, and have an enjoyable trip.

**SCI LANSING AREA CHAPTER suggests that any bidder who wins an auction item should consider researching and purchasing "trip insurance" to protect trips that could be compromised by sickness or injury of the hunter, death of an immediate family member, cancellations of flights due to weather conditions, complications that could be unforeseen with any particular outfitter, or any other life event that might prevent the hunter from completing the hunt. Once the auction has ended, SCI LANSING AREA CHAPTER will not provide insurance, or make refunds regarding any purchases made at the live auction.**

See Auction Rules and Regulations near the end of this Auction Book.

**Please  
support  
tonight's  
donors!**

**Merchandise:** Swarovski EL Range 10X42 - Rangefinding Binocular with Tracking Assistant

**Value:** \$4,443.00

**Item:** Combination Binoculars/Rangefinder

1-yd. accuracy up to 1,500 yds. away

P-coated optics for crisp, clear imaging

Glove-friendly ranging button

Integrated neck strap for added comfort

**Special Notes:** The EL RANGE is the latest demonstration of the innovativeness that lies at the heart of SWAROVSKI OPTIK. It combines SWAROVISION technology with precise range measurement. Spot game quickly and accurately thanks to the precision and edge-to-edge sharpness of SWAROVISION technology. The EL Range can be configured to suit your specific needs and you can transfer your own ballistics data, along with air pressure and temperature readings, allowing you to make an accurate assessment of every hunting situation. The innovative tracking assistant helps you to narrow down the area where your last shot hit the target. Uncompromising observation. The EL Range 10x42 shows precise details when viewing over long distances thanks to its 10x magnification.

Look and range within seconds with the EL Range Rangefinding Binoculars from Swarovski. The legendary optical performance you expect from Swarovski combined with rangefinding precision has a new, ergonomic design for even better handling in the field. Inside the durable, lightweight magnesium-alloy frame, Swarobright® optics deliver crisp, clear viewing and maximum light transmission, while the eye-safe, class-1 laser delivers +/-1-yd. accuracy on reflective objects up to 1,500 yds. away. The phase-coated glass features Swarotop® and Swarodur® multilayer coatings to decrease light reflection and increase detail. Rangefinder features easy-acquisition target circle.

Improved ranging button for ease of use, even while wearing heavy gloves. Waterproof, fog proof design is fully submersible up to 13 ft. Wide-angle ocular for increased field of view. Adjustable, twist-up eyecups are removable. Rangefinder displays distance in yardage or meters. The new design features more functional diopter adjustments, integrated objective covers, an improved rain-guard design, improved textured focus wheel and an innovative, totally integrated neck strap.

## # 18 6-DAY/7-NIGHT SPOTTED HYENA HUNT in Namibia – for 1 Hunter

Byron Hart has donated this unique African hunt for a spotted hyena in North West Namibia. This is an exportable, problem hyena hunt, which will be semi-short notice, once a declaration has been made of PAC hyena.

Byron Hart African Safaris (BHAS) is a company with definitive experience in the hunting industry spanning the last 21 years. BHAS has grown in strength by providing its clients with professional, personal and quality hunting safaris and tours to some of the best destinations intentionally matched to the individual hunter's requirements and expectations.

Join us, and together we'll take a journey of passion for the outdoors and the pursuit of fair & ethical chase, with a level of eminence surpassing the competitors, and with accountability to the environment, the areas and its inhabitants.

This great hunt is for 6 days and includes the trophy fee for the hyena!

Trophy fee of \$2,100 for possible 2nd hyena NOT included.

Government PAC fee of +/- \$270 is not included. This fee is only applicable if the hyena is shot, or per hyena.

Hunt can be taken in 2024 or 2025.

Your arrival point will be Ondangwa, Namibia. General plains game animals in the area can be added for just the trophy fees of additional animals hunted.

Additional hunters can be added for \$460 per day including guide along with non-hunters at \$175 per day.

Accommodations are included. Extra accommodation might be needed depending on flight connections after arrival in Windhoek. A connecting flight from Windhoek to Ondangwa is required. Camp transfers to and from Ondangwa are included.

**Trophy Fee:** None.

**Transportation:** Winning bidder responsible for to/from Hunt area in MN.

**Special Notes:** This hunt is for an average 250 to 300 pound bear with the possibility of much larger bears with no additional trophy fees. Chocolate color phases are fairly common with Cinnamon a possibility. You will be hunting multiple baited bear setups, with multiple bears. You will be hunting from tree stands & ground blinds. What is his secret? Tim has a highly guarded secret system to beat smart bears that Tim has developed over a 30-year bear hunting obsession.

Numerous guides and hunters claim that it is not possible for a hunter to harvest a big bear every year. Tim has proven them all wrong year after year, personally harvesting 15 big bears 400 to nearly 700 pounds plus many more between 300 and 400 pounds. Tim also has videotaped and or witnessed hundreds more. All in Minnesota!

Tim is offering a limited number of hunts to hardcore, passionately serious bear hunters. Tim is not a 150-pound bear factory. He is a BIG BEAR SPECIALIST!! This is why Tim will let you know at a later date where you will be specifically hunting. In the off/pre-season, Tim will be executing his system to find the right bear in MN for your adventure.

This hunt can be upgraded to a 2nd bear subject to availability.

# # 36 Artist of the Year Stephan Alsac's Masterpiece - Damanius

Check out, SCI, 2024 artist of the year, Stephan Alsac's masterpiece, Damanius. Prints are signed and number. This is print number 113 out of 120. Measuring 19" by 28" the detail and vibrancy is stunning. It comes with a certificate of authenticity.

Stephan is a french wildlife artist. He works in oil and watercolor. His favorite subjects are the wild animals of Europe and Africa. Stephan's approach could be defined as hyper-realist. The exact representation of wildlife anatomy and the realistic treatment of the subject's texture captivate the viewer who can then fully appreciate the intended message and emotion communicated by the artist." He is a self-taught artist, having acquiring amazing technique by taking inspiration from the great french portrait painters. Stephan travels regularly to the heart of Africa and reproduces what moved him during his travels in the form of sketches: an Oryx fight, a lioness on the hunt, Hyenas on the lookout, a Leopard in his tree. Back in his studio Stephan swaps his pencil for his brushes: on large canvases, he tries to capture the dramaturgy and the beauty of wild Africa. His brush strokes are delicate and the details so polished you could count the hairs of the fur. But it is usually the eyes of the animal that fascinate the viewer. A wild gaze that Stephan aptly depicts with precision and a genuine dose of emotion. (Stephen Alsac, The Book 2024)

This print is offered unframed so that the successful bidder can obtain customized framing to fit the décor of the room in which it will be hung. Shipping costs, if applicable, for the winning online bidder will be charged to the final invoice. Value \$1,200

**Item:** Pierce Rifle Action  
**Value:** \$1,100

**Description:** Pierce Engineering has donated a custom long action repeater for this evening's auction. The heart of any rifle is the action. Pierce actions are used worldwide for hunting, competition, and law enforcement. Pierce actions and rifles have been having great success at the national level in F-Class competition. John Pierce is a member of the FTR U.S. Rifle Team and will be representing our nation at the 2017 World Championship. Designed to provide bench rest accuracy, the 1.350"-diameter Pierce Action has a drop-in compatibility with stocks inletted for the Remington 700. Tactical bolt handles are available. Designed for the hunting, tactical, and varmint markets, the Pierce action starts with a base price of \$935. Pierce actions are made from 4140 chrome-moly steel (This same steel is also used for crankshafts and connecting rods in professional race engines.) and comes standard with Cerakote finish. All Pierce actions feature the Pierce enhanced Firing-Pin Assembly (FPA). With a faster lock time (2.3 milliseconds) and lighter strike (4.3 in/lbs), the Pierce FPA delivers easier bolt lift and reduced disruption when the pin hits the primer. Independent testing (Precision Shooting, 12/05) concluded a Pierce FPA can even shrink group size. A Pierce recoil lug is also included in every Pierce action purchase.

**Special Notes:** The winning bidder needs to make arrangements with Jim to pick up action or build a rifle. Shipping costs and FFL Transfer fees for online winning bidders are the responsibility of the winning bidder and should be arranged with the manufacturer.

# SCI LANSING AREA CHAPTER – Auction Program Rules & Regulations.

By participating and/or registering, bidder agrees to the following terms & conditions:

Items donated to SCI LANSING AREA CHAPTER and amounts paid to SCI LANSING AREA CHAPTER as part of the auction do not qualify as charitable deductions. SCI LANSING AREA CHAPTER is not a qualified charitable organization. No portion of any SCI LANSING AREA CHAPTER auction purchase is eligible for a tax deduction unless it is an auction item (not a raffle item) sold for the benefit of SCI Foundation, which is a qualified charitable organization. If an auction item (not a raffle item) is sold for the benefit of the SCI Foundation, the purchaser may be eligible for a charitable deduction for only that portion of the payment that is over the item's fair market (or retail) value (except for raffle ticket purchase, which are not eligible for a charitable deduction in all cases). All auction items are donated to SCI LANSING AREA CHAPTER (not SCI Foundation) by SCI LANSING AREA CHAPTER exhibitors unless otherwise noted. If an auction item is dedicated to benefit SCI Foundation, it will be noted in the description. Refer to IRS Publication 1391, Deductibility of Payments Made to Charities Conducting Fund Raising Events. Consult your tax advisor for information about charitable deductions.

SCI LANSING AREA CHAPTER is also dedicated to promoting the safe and legal ownership and use of firearms as expressed in our inalienable rights under the Second Amendment to the Constitution of the United States of America so that those who are legally permitted to purchase and sell firearms may collect and use firearms for competitive events or for other sporting purposes.

These Auction Program Rules and Regulations apply to auctions and raffles conducted for the benefit of SCI LANSING AREA CHAPTER and SCI Foundation and the term "SCI LANSING AREA CHAPTER" shall include "SCI Foundation" in all instances where the auction or raffle is conducted for the benefit of SCI Foundation.

While it is not required with every hunt or trip, we encourage the winning bidder to upgrade the hunt or trip. Taking additional animals, days, or additional people on the trip helps support those that support the SCI LANSING AREA CHAPTER. Many times, these additions are at a discount. Talk with the outfitter and have an enjoyable trip.

Any exceptions to these Auction Program Rules & Regulations must be reviewed and accepted in writing by Auction Chairman and, if necessary, the SCI LANSING AREA CHAPTER Board of Directors.

## AUCTION BIDDING PROCEDURES AND CONDITIONS OF SALE

1. Please read the item descriptions carefully. Different hunts include or specify different things, such as lodging, meals, transportation, weapon type, available dates, etc. As a general rule, hunting licenses are not included. On hunts outside the United States, you may be charged PST, GST, VAT, and other taxes.
2. You or your representative (designated individual must have written, notarized authorization by you stating maximum bidding price for each of the items of interest) must be an approved registered bidder online or present during the auction to be eligible to bid. A person who bids on behalf of another person or group will be ultimately held responsible for payment in its entirety. A person registered and bidding through the official SCI LANSING AREA CHAPTER online auction site will be considered to be registered and present for the auction.
3. All items auctioned are sold "as is." SCI LANSING AREA CHAPTER assumes no responsibility for the validity of the descriptions, authenticity, or condition of any item donated for auction. SCI LANSING AREA CHAPTER makes no warranty or guarantee of any kind, expressed or implied, regarding any property or service sold at auction. Including, but not limited to, any implied warranties of fitness for a particular purpose or merchantability. SCI LANSING AREA CHAPTER makes no warranties about any Donor's accuracy, competency, or reliability, or of the buyer's satisfaction with his/her purchase. SCI LANSING AREA CHAPTER's acceptance of donor's gift or donation does not imply endorsement of the donor or the donated hunt, trip, goods or services.

4. Values listed are as stated by donors and are not warranted by SCI LANSING AREA CHAPTER for tax or any other purpose. The high bidder further acknowledges that his/her purchase is final and non-refundable under any and all circumstances, and that should legal action be required to collect for the services or merchandise acquired by the high bidder at the auction, SCI LANSING AREA CHAPTER shall be entitled to all reasonable attorney's fees, cost of court, and interest as provided by law.

5. SCI LANSING AREA CHAPTER suggests that any bidder who wins an auction item should consider researching and purchasing "trip insurance" to protect large hunting trips that could be compromised by sickness or injury of the hunter, death of an immediate family member, cancellations of flights due to weather conditions, complications that could be unforeseen with any particular outfitter, or any other life event that might prevent the hunter from completing the hunt. Once the auction has ended, SCI LANSING AREA CHAPTER will not provide insurance regarding any purchases made at the live auction.

6. All items auctioned (whether goods or services) have been acquired or obtained by SCI LANSING AREA CHAPTER from third parties. The purchaser acknowledges that the items have NOT been inspected by SCI LANSING AREA CHAPTER and that the purchaser is advised, in the case of firearms, knives, bows, bullets or other weapons, to secure a competent inspection and test of the goods before use. No services auctioned are to or will be performed by SCI LANSING AREA CHAPTER.

7. After bidding for an item concludes and the auctioneer designates a winning bidder, the designated winner (buyer) must immediately agree to a Buyer's Agreement. For buyers at the auction location, the buyer must sign the Buyer's Agreement and one copy will be given to the buyer. For silent auctions, the Silent Auction Bid Sheet is considered the Buyer's Agreement to purchase the indicated item. All signatures on Buyer's Agreements, Silent Auction Bid Sheets and Silent Auction Sealed Bid Forms, are legal and binding. SCI LANSING AREA CHAPTER/SCIF will not recognize changes, additions or deletions to any auction description agreed to by the buyer and donor unless such changes are noted on the Buyer's Agreement and signed by the buyer and an authorized representative of the donor.

8. By making a purchase, the purchaser waives any claim for liability against SCI LANSING AREA CHAPTER or the donor of any property or service, and neither SCI LANSING AREA CHAPTER nor the donor is responsible for any personal injuries or damages to property that may result from the utilization of any property or services sold. If any action or claim is made against SCI LANSING AREA CHAPTER by an individual, entity, or state, local, federal, foreign or political body for any matter whatsoever arising from the use of the auctioned items, or any actions or parties conducting business with respect to the auctioned items, the donor and/or purchaser will pay SCI LANSING AREA CHAPTER's attorneys' fees and costs and will hold SCI LANSING AREA CHAPTER harmless from any judgment thereon.

9. The highest online pre-live Auction bidder's bid will be offered by the on-site online representative to the auctioneer when the bidding begins on each item. The auctioneer is not obligated to recognize the highest online bid first in the live auction room as all bidders on the live auction floor have an equal chance to be recognized by the auctioneer when the live bidding opens for that auction item.

10. If during a live auction, a final bid for an item is erroneously taken from two bidders, the bidding is closed to everyone else except those two bidders. The high bidder acknowledged by the auctioneer shall be the purchaser. The auctioneer shall have the sole and final discretion to determine the successful bidder in the auction on any item. At each live auction, there will be pre-designated bid spotters in the audience, and it is the responsibility of the bidder to direct bids to the nearest spotter or the auctioneer. The auctioneers and spotters will make every attempt to acknowledge all desired bids, but SCI LANSING AREA CHAPTER is not responsible for any missed bids or bids that fail to be executed. Waive your hands or jump up and down to get their attention.

11. ALL SALES ARE FINAL. ALL TANGIBLE GOODS PURCHASED AT THE SCI LANSING AREA CHAPTER AUCTIONS ARE SUBJECT TO THE CURRENT STATE AND LOCAL SALES TAX RATES. THERE WILL BE NO EXCHANGES OR REFUNDS on items or services. Unless otherwise indicated, all auction items, services and hunts must be used within one year of the date of the purchase at auction. Dates and times for applicable items are to be arranged at the mutual convenience of the donor and winning bidder/purchaser.

12. IT IS THE PURCHASER'S RESPONSIBILITY TO CONTACT THE DONOR REGARDING PURCHASED ITEMS, SERVICES OR HUNTS and to make all arrangements for hunt dates and the application for necessary of paperwork for licenses and permits. SCI LANSING AREA CHAPTER is not, and will not act as, a conduit or go-between between the purchaser and donor. After the hunt has been completed, it is requested that the purchaser complete a hunt report/article for our newsletter and submit it to the Newsletter Chairperson at scilansing@gmail.com .

13. To protect our hunt donors, SCI LANSING AREA CHAPTER reserves the right to terminate, change, withdraw, or suspend any donated auction item from the auction. The Auctioneer shall have the sole and final discretion to determine the sale of a donated auction item. SCI LANSING AREA CHAPTER reserves the right to terminate or restrict a bidder's registration without notice or penalty.

14. All firearm (excluding some types of muzzleloaders and bows) purchases made during the event will be subject to the Brady Handgun Violence Prevention Act of 1993. After the close of the Auction all firearms purchased at an SCI LANSING AREA CHAPTER auction or won in an SCI LANSING AREA CHAPTER raffle will be returned to the auction FFL License Holder for pickup by the winning bidder or will be shipped to the purchaser's nearest federally licensed dealer. It will be the responsibility of the purchaser to arrange and coordinate shipping with the firearm donor. All shipping costs and FFL transfer fees are the responsibility of the purchaser.

15. SCI LANSING AREA CHAPTER has been advised that donated "worked" ivory may be sold at its auctions. "Worked" ivory must not have been imported under any permit that prohibits the sale of that ivory. The export of "worked" elephant ivory for non-commercial or personal uses is allowed under U.S. law, but requires a CITES permit and must have been imported legally. Most hunting trophies have come into the U.S. under permits that prohibit sale and cannot be sold. Export of "raw" ivory is not allowed for any purpose.

16. No Refund Policy – This purchase is non-refundable. In no event shall Buyer seek reimbursement from SCI LANSING AREA CHAPTER and Buyer acknowledges and agrees that SCI LANSING AREA CHAPTER is not liable to refund the purchase price or any portion thereof.

17. Governing Law, Jurisdiction and Venue – This Agreement, its construction, performance and enforcement shall be governed by the laws of the State of Michigan without regard to any conflicts of law provisions. For all claims or disputes in which SCI LANSING AREA CHAPTER is named as a party arising under or with respect to this Agreement or any item purchased at auction, Buyer agrees that the exclusive jurisdiction and venue for such disputes shall be in the Michigan Superior Court, Clinton County or the United States District Court for the Eastern District of Michigan. Buyer waives any objection or defense (including, without limitation any defense of inconvenient forum) that Buyer may now or hereafter have to the venue of any such action or proceeding in such courts. If legal action is required and SCI LANSING AREA CHAPTER prevails, SCI LANSING AREA CHAPTER shall be entitled to recover its attorney fees and costs.
