SCI LANSING AREA CHAPTER – Auction Program Rules & Regulations.

By participating and/or registering, bidder agrees to the following terms & conditions:

Items donated to SCI LANSING AREA CHAPTER and amounts paid to SCI LANSING AREA CHAPTER as part of the auction do not qualify as charitable deductions. SCI LANSING AREA CHAPTER is not a qualified charitable organization. No portion of any SCI LANSING AREA CHAPTER auction purchase is eligible for a tax deduction unless it is an auction item (not a raffle item) sold for the benefit of SCI Foundation, which is a qualified charitable organization. If an auction item (not a raffle item) is sold for the benefit of the SCI Foundation, the purchaser may be eligible for a charitable deduction for only that portion of the payment that is over the item's fair market (or retail) value (except for raffle ticket purchase, which are not eligible for a charitable deduction in all cases). All auction items are donated to SCI LANSING AREA CHAPTER (not SCI Foundation) by SCI LANSING AREA CHAPTER exhibitors unless otherwise noted. If an auction item is dedicated to benefit SCI Foundation, it will be noted in the description. Refer to IRS Publication 1391, Deductibility of Payments Made to Charities Conducting Fund Raising Events. Consult your tax advisor for information about charitable deductions.

SCI LANSING AREA CHAPTER is also dedicated to promoting the safe and legal ownership and use of firearms as expressed in our inalienable rights under the Second Amendment to the Constitution of the United States of America so that those who are legally permitted to purchase and sell firearms may collect and use firearms for competitive events or for other sporting purposes.

These Auction Program Rules and Regulations apply to auctions and raffles conducted for the benefit of SCI LANSING AREA CHAPTER and SCI Foundation and the term "SCI LANSING AREA CHAPTER" shall include "SCI Foundation" in all instances where the auction or raffle is conducted for the benefit of SCI Foundation.

While it is not required with every hunt or trip, we encourage the winning bidder to upgrade the hunt or trip. Taking additional animals, days, or additional people on the trip helps support those that support the SCI LANSING AREA CHAPTER. Many times, these additions are at a discount. Talk with the outfitter and have an enjoyable trip.

Any exceptions to these Auction Program Rules & Regulations must be reviewed and accepted in writing by Auction Chairman and, if necessary, the SCI LANSING AREA CHAPTER Board of Directors.

AUCTION BIDDING PROCEDURES AND CONDITIONS OF SALE

1. Please read the item descriptions carefully. Different hunts include or specify different things, such as lodging, meals, transportation, weapon type, available dates, etc. As a general rule, hunting licenses are not included. On hunts outside the United States, you may be charged PST, GST, VAT, and other taxes.

2. You or your representative (designated individual must have written, notarized authorization by you stating maximum bidding price for each of the items of interest) must be an approved registered bidder online or present during the auction to be eligible to bid. A person who bids on behalf of another person or group will be ultimately held responsible for payment in its entirety. A person registered and bidding through the official SCI LANSING AREA CHAPTER online auction site will be considered to be registered and present for the auction.

3. All items auctioned are sold "as is." SCI LANSING AREA CHAPTER assumes no responsibility for the validity of the descriptions, authenticity, or condition of any item donated for auction. SCI LANSING AREA CHAPTER makes no warranty or guarantee of any kind, expressed or implied, regarding any property or service sold at auction. Including, but not limited to, any implied warranties of fitness for a particular purpose or merchantability. SCI LANSING AREA CHAPTER makes no warranties about any Donor's accuracy, competency, or reliability, or of the buyer's satisfaction with his/her purchase. SCI LANSING AREA CHAPTER's acceptance of donor's gift or donation does not imply endorsement of the donor or the donated hunt, trip, goods or services.

4. Values listed are as stated by donors and are not warranted by SCI LANSING AREA CHAPTER for tax or any other purpose. The high bidder further acknowledges that his/her purchase is final and non-refundable under any and all circumstances, and that should legal action be required to collect for the services or merchandise acquired by the high bidder at the auction, SCI LANSING AREA CHAPTER shall be entitled to all reasonable attorney's fees, cost of court, and interest as provided by law.

5. SCI LANSING AREA CHAPTER suggests that any bidder who wins an auction item should consider researching and purchasing "trip insurance" to protect large hunting trips that could be compromised by sickness or injury of the hunter, death of an immediate family member, cancellations of flights due to weather conditions, complications that could be unforeseen with any particular outfitter, or any other life event that might prevent the hunter from completing the hunt. Once the auction has ended, SCI LANSING AREA CHAPTER will not provide insurance regarding any purchases made at the live auction.

6. All items auctioned (whether goods or services) have been acquired or obtained by SCI LANSING AREA CHAPTER from third parties. The purchaser acknowledges that the items have NOT been inspected by SCI LANSING AREA CHAPTER and that the purchaser is advised, in the case of firearms, knives, bows, bullets or other weapons, to secure a competent inspection and test of the goods before use. No services auctioned are to or will be performed by SCI LANSING AREA CHAPTER.

7. After bidding for an item concludes and the auctioneer designates a winning bidder, the designated winner (buyer) must immediately agree to a Buyer's Agreement. For buyers at the auction location, the buyer must sign the Buyer's Agreement and one copy will be given to the buyer. For silent auctions, the Silent Auction Bid Sheet is considered the Buyer's Agreement to purchase the indicated item. All signatures on Buyer's Agreements, Silent Auction Bid Sheets and Silent Auction Sealed Bid Forms, are legal and binding. SCI LANSING AREA CHAPTER/SCIF will not recognize changes, additions or deletions to any auction description agreed to by the buyer and donor unless such changes are noted on the Buyer's Agreement and signed by the buyer and an authorized representative of the donor.

8. By making a purchase, the purchaser waives any claim for liability against SCI LANSING AREA CHAPTER or the donor of any property or service, and neither SCI LANSING AREA CHAPTER nor the donor is responsible for any personal injuries or damages to property that may result from the utilization of any property or services sold. If any action or claim is made against SCI LANSING AREA CHAPTER by an individual, entity, or state, local, federal, foreign or political body for any matter whatsoever arising from the use of the auctioned items, or any actions or parties conducting business with respect to the auctioned items, the donor and/or purchaser will pay SCI LANSING AREA CHAPTER's attorneys' fees and costs and will hold SCI LANSING AREA CHAPTER harmless from any judgment thereon.

9. The highest online pre-live Auction bidder's bid will be offered by the on-site online representative to the auctioneer when the bidding begins on each item. The auctioneer is not obligated to recognize the highest online bid first in the live auction room as all bidders on the live auction floor have an equal chance to be recognized by the auctioneer when the live bidding opens for that auction item.

10. If during a live auction, a final bid for an item is erroneously taken from two bidders, the bidding is closed to everyone else except those two bidders. The high bidder acknowledged by the auctioneer shall be the purchaser. The auctioneer shall have the sole and final discretion to determine the successful bidder in the auction on any item. At each live auction, there will be pre-designated bid spotters in the audience, and it is the responsibility of the bidder to direct bids to the nearest spotter or the auctioneer. The auctioneers and spotters will make every attempt to acknowledge all desired bids, but SCI LANSING AREA CHAPTER is not responsible for any missed bids or bids that fail to be executed. Waive your hands or jump up and down to get their attention.

11. ALL SALES ARE FINAL. ALL TANGIBLE GOODS PURCHASED AT THE SCI LANSING AREA CHAPTER AUCTIONS ARE SUBJECT TO THE CURRENT STATE AND LOCAL SALES TAX RATES. THERE WILL BE NO EXCHANGES OR REFUNDS on items or services. Unless otherwise indicated, all auction items, services and hunts must be used within one year of the date of the purchase at auction. Dates and times for applicable items are to be arranged at the mutual convenience of the donor and winning bidder/purchaser.

12. IT IS THE PURCHASER'S RESPONSIBILITY TO CONTACT THE DONOR REGARDING PURCHASED ITEMS, SERVICES OR HUNTS and to make all arrangements for hunt dates and the application for necessary of paperwork for licenses and permits. SCI LANSING AREA CHAPTER is not, and will not act as, a conduit or go-between between the purchaser and donor. After the hunt has been completed, it is requested that the purchaser complete a hunt report/article for our newsletter and submit it to the Newsletter Chairperson at scilansing@gmail.com .

13. To protect our hunt donors, SCI LANSING AREA CHAPTER reserves the right to terminate, change, withdraw, or suspend any donated auction item from the auction. The Auctioneer shall have the sole and final discretion to determine the sale of a donated auction item. SCI LANSING AREA CHAPTER reserves the right to terminate or restrict a bidder's registration without notice or penalty.

14. All firearm (excluding some types of muzzleloaders and bows) purchases made during the event will be subject to the Brady Handgun Violence Prevention Act of 1993. After the close of the Auction all firearms purchased at an SCI LANSING AREA CHAPTER auction or won in an SCI LANSING AREA CHAPTER raffle will be returned to the auction FFL License Holder for pickup by the winning bidder or will be shipped to the purchaser's nearest federally licensed dealer. It will be the responsibility of the purchaser to arrange and coordinate shipping with the firearm donor. All shipping costs and FFL transfer fees are the responsibility of the purchaser.

15. SCI LANSING AREA CHAPTER has been advised that donated "worked" ivory may be sold at its auctions. "Worked" ivory must not have been imported under any permit that prohibits the sale of that ivory. The export of "worked" elephant ivory for non-commercial or personal uses is allowed under U.S. law, but requires a CITES permit and must have been imported legally. Most hunting trophies have come into the U.S. under permits that prohibit sale and cannot be sold. Export of "raw" ivory is not allowed for any purpose.

16. No Refund Policy – This purchase is non-refundable. In no event shall Buyer seek reimbursement from SCI LANSING AREA CHAPTER and Buyer acknowledges and agrees that SCI LANSING AREA CHAPTER is not liable to refund the purchase price or any portion thereof.

17. Governing Law, Jurisdiction and Venue – This Agreement, its construction, performance and enforcement shall be governed by the laws of the State of Michigan without regard to any conflicts of law provisions. For all claims or disputes in which SCI LANSING AREA CHAPTER is named as a party arising under or with respect to this Agreement or any item purchased at auction, Buyer agrees that the exclusive jurisdiction and venue for such disputes shall be in the Michigan Superior Court, Clinton County or the United States District Court for the Eastern District of Michigan. Buyer waives any objection or defense (including, without limitation any defense of inconvenient forum) that Buyer may now or hereafter have to the venue of any such action or proceeding in such courts. If legal action is required and SCI LANSING AREA CHAPTER prevails, SCI LANSING AREA CHAPTER shall be entitled to recover its attorney fees and costs.
